Large chalet in Verbier for rent

Comprising two interconnecting chalets and spanning 900m² of interior living space, Chalet location is secluded yet convenient for accessing the slopes and the resort centre. Accommodating 16 adults and four children in nine bedrooms, this impressive chalet is ideal for families and friends wishing to holiday together in beautiful and luxurious surroundings.

Designed and furnished by well-known London interior designer Gytha Nuttal, the decor incorporates herringbone tweeds, faux fur throws, reclaimed wood and custom-made English furniture as well as state-of-the-art John Cullen lighting. On the first floor are the main living areas which include a cosy living room with a fireplace and two lounge areas. There is also an elegant dining area and a well-equipped kitchen.

The living area leads to a fantastic terrace, furnished with sofas, sun-loungers and set up for al-fresco dining. From here you can admire views of the imposing Mont Blanc Massif. Each of the nine en-suite bedrooms, comprising seven twin/super-king size rooms, one master suite and a quad bunk room ideal for children, also offer dramatic views from their own terrace or balcony.

After a long day on the slopes, there is no better place to relax then in the outstanding private spa area which has a 15 metre pool, outdoor cedar hot tub and hammam. The chalet also has a gym, home cinema and a bar with an impressive adjoining wine cellar.
