Situated in a private location, just a 10-minute walk from Medran and Place Centrale, Chalet makes the perfect base for a luxury ski holiday in Verbier. Snow permitting, it is possible to ski in and out (off-piste) to within 100m of the chalet. Set over four floors, the chalet is bright and spacious with a wonderful open-plan living space opening onto a sunny terrace.

Sink into the cosy sofa and armchairs set around the stone fireplace and enjoy meals around the elegant dining table. There's a well-equipped kitchen and a wrap-around balcony to the front of the chalet which is perfect for soaking up the winter sun.

Chalet accommodates eight adults and four children across five en-suite bedrooms. The impressive master suite occupies the whole of the top floor. With a fireplace and private balcony, this is the perfect spot to relax post-skiing. The ground floor is home to a further four bedrooms: two twin/doubles with access to the garden, a large children's bunk room sleeping four and a second children's bunk room for two.

The chalet also has staff accommodation comprising a single bedroom, en-suite shower room and a small kitchenette. Evenings can be spent in the cosy TV room or unwinding in the hammam. Other facilities include a laundry room and a shared garage with one parking space.
