St. Moritz Engadin Chesa

St. Moritz Engadin Chalet

By following the Inn river up to the **village of La Punt**, you will be confronted by a unique palatial residence which dates back to 1665: **St. Moritz Engadin Chalet** lays on the border of the main road and dominates the old part of this typical **Engadin village St. Moritz**. The village, which nowadays offers services such as a bank, a post office, restaurants and shops, has kept its original flavour with charming houses and flowers on the balconies of the chesas. The antique aura of this grand **St. Moritz Engadin Chalet** has been matched with modern technological additions, thanks to a fine restoration of a very high standard. The old barn is now an elegant living room which boasts magnificent windows. An old sleigh sits next to a fantastic bookcase where you can find early editions of famous novels. An endless number of rooms, beautifully designed and decorated with numerous works of modern art and objects brought back by the owners from their foreign trips, wind down along the ground floor.

This very large and elegant **St. Moritz Engadin Chesa** will become your comfortable home in St Moritz and will welcome you with its warm and enchanting atmosphere despite its austere look. There can be no better après ski than having your hot chocolate or favourite drink poured by the experienced butler in the beautiful living area, just after you have unwound in the Jacuzzi or purified your body and soul in the SPA! You and your family and friends will be able to spread in as many as 9 bedrooms (suitable for up to 14 adults and 4 children) which, although different in style, all have the same imprint of the taste of the owner

family.

St. Moritz Engadin Chalet is just perfect for a large group of friends who are looking for a flagship property in the **Engadin** where the true spirit of the valley perfectly blends with modern style and design. This is perfect property to enjoy utmost privacy, matched with a convenient location, for you to take advantage of all that this beautiful area has to offer.
